

NOOR FATIMA

COMPUTER SCIENTIST

Enthusiastic and hardworking Computer Science student seeking entry-level opportunities to apply academic knowledge and build practical experience in software development and related fields.

ABOUT ME

I am a dedicated and motivated Computer Science undergraduate with a strong interest in programming, problem-solving, and software development. Currently pursuing my degree, I have gained foundational knowledge in languages such as C# , Python and C++, along with experience in data structures, algorithms, and web development. Also I have started Forensic Cyber Security and has a good knowledge about Linux Operating system. I am eager to apply my skills in a practical setting, contribute to real-world projects, and continuously learn and grow in the tech industry.
